Dear Friends,

In 2023, the Asian Community & Cultural Center celebrated 31 years of service to Lincoln's newest neighbors. Thanks to the generosity of funders, donors, and volunteers like you, we were able to serve a record-breaking 2,100+ clients.

Our dedicated staff and volunteers provided over 27,000 hours of essential support to immigrants and refugees who call Lincoln home. These many hours of service build connection and trust with newcomers, helping them to integrate and acclimate to life in our community.

Our clients are from all over the globe, representing 32 different countries. This rich tapestry of cultures brings so much talent, ambition, and beauty to our city! Thank you for the part you play in welcoming our new neighbors by supporting the Asian Center.

With gratitude,

Sheila Dorsey Vinton

CULTURAL PROGRAMS GROW & BUILD BRIDGES

Rebecca (JueYeZi) Reinhardt has been part of the Asian Center team for 10 years, serving as Cultural Program Coordinator and Chinese Community Advocate. She came from China to Nebraska in 1999 with more than a decade of experience in Chinese radio and a great curiosity about American culture.

“I had to be fearless using English with people. It was hard, but people were so patient with me,” says Rebecca.

Under Rebecca’s leadership, cultural programs have grown significantly to include two major community events and dozens of smaller cultural presentations each year, as well as cultural performance groups.

In 2023, Rebecca was honored at the 45th Annual Mayor’s Arts Awards for her excellence in leading and growing the Asian Center’s Asian American Pacific Islander Heritage Celebration and Harvest Moon Festival.

“I love cultural event planning! I get to connect with so many people in the community. We bring in performers, food, and activities for the whole family,” says Rebecca.

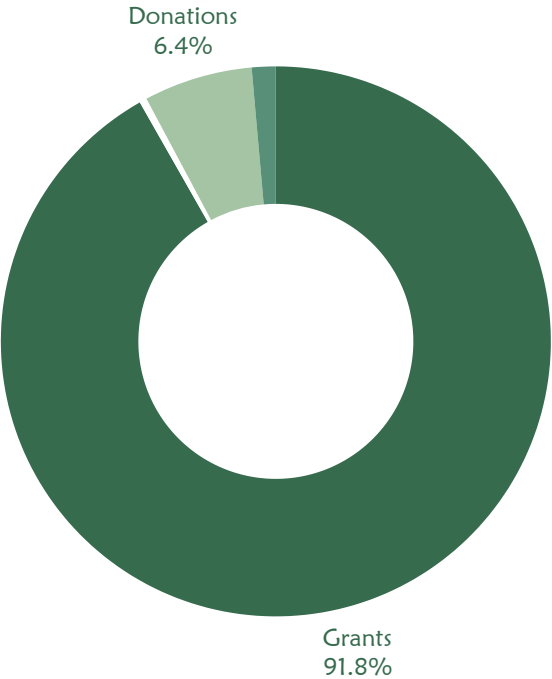

Rebecca is passionate about the value of cultural programs. “I always tell people, the Asian Center is the bridge. On one side are immigrant and refugee newcomers. On the other side are long-time residents. We are the bridge to bring both sides together.

“Being the bridge builds connection and acceptance between newcomers and long-time residents. I see more and more people participating every year, families from all backgrounds throughout our city. I love it!” says Rebecca.
